## VNCH's "Pot of Gold" A Huge Success

Ms. Massachusetts, Alida D'Angona, was on hand to support Visiting Nurse and Community Health's (VNCH) 6<sup>th</sup> annual "Pot of Gold" event on Thursday, October 27 at the Son's of Italy Hall in Arlington. Harry Allen, of Arlmont Fuel, was the MC for the evening's festivities. Pot of Gold attendees enjoyed a tasty buffet dinner from Blue Ribbon BBQ, and the top silent auction bidders walked away with great items. As the night progressed and numbers were eliminated, hope was kept alive as fantastic "loser prizes" were periodically distributed. The final and "Luckiest Loser" of the night received a pair of Bruin's tickets! This year, the top 10 finalists unanimously decided to split the "Pot of Gold", which made for 10 very excited \$1,000 winners! Pot of Gold Committee members, pictured above from left, are: Meredith Lambroff of VNCH; Bob Bowes, Bowes Real Estate; Ms. Massachusetts Alida D'Angona; Harry Allen; Kathleen Darcy, Cambridge Savings Bank; and Tim Haley, North Shore Navigators Baseball. VNCH serves the following communities: Acton, Arlington, Bedford, Belmont, Billerica, Burlington, Cambridge, Carlisle, Chelsea, Concord, Everett, Lexington, Lincoln, Malden, Medford, Melrose, Newton, Revere, Somerville, Stoneham, Wakefield, Waltham, Watertown, Wayland, Weston, Wilmington, Winchester, and Woburn.
